## **Please read this Special Appeal at three consecutive meetings**

February 2017

Dear Fellow S-Anon Members:

Our Seventh Tradition says that member donations are needed to keep S-Anon going. But how much should members drop in the basket when it comes around?

There's no one-size-fits-all answer. Some give two or three dollars, as they have for years. Some contribute keeping in mind what they once spent reacting to and trying to control the sexaholics in their lives. Others, like me, find the largest bill in their wallets and toss it in.

Gratitude for this lifesaving program and the desire to help S-Anon be here for the newcomer—that's why I open my wallet at every meeting. And that's why I send a check in response to each Special Appeal. As you read this letter, please reflect on the benefits you have received from S-Anon. Think about what you typically donate at each meeting, and then consider giving a little more. Please consider supporting the fellowship with a Special Appeal donation in the coming months so the office can continue to carry the message of hope to those who need to hear it.

In Fellowship,

A Grateful Member of S-Anon
